SCIENTIFIC PROGRAM

Wednesday 17th April

17:00-17:15H. Presentation of the course.

Moderators:

Dr. Irene Cuevas Sáiz

Laboratory Director at Hospital General Universitario. Valencia.

Dr. Valerio Pisaturo

Laboratory Director at Policlinico Umberto I. Roma.

17:15-17:35H. The science behind vitrification; what you need to know.

Speaker:

Dr. Joe Conaghan

PhD, HCLD. Director of Science and Training, Colorado. Center for Reproductive Medicine, San Francisco, USA.

17:35-17:55H. Equilibration before vitrification: Is there room for improvement?

Speaker:

Dr. Catello Scarica

PhD, HCLD. Laboratory Director at New Fertility Group-European Hospital. Rome, Italy.

17:55-18:15H. Shaking up the universe of vitrification with speed and time.

Speaker:

Dr. Juergen Liebermann

PhD, HCLD. Director of Laboratories, Fertility Centers of Illinois, Chicago, USA.

18:15-18:35H. Sperm vitrification.

Speaker:

Dr. Iris Martínez Rodero

PhD, Clinical Embryologist. Ginefiv, Barcelona, Spain.

18:35-19:00H. Questions and debate.

Università degli Studi Roma (Roma)

Thursday 18th April

PRACTICAL PART: Morning (10am to 14pm) or Afternoon (4pm to 8pm) Session.

Embryo biopsy prior to vitrification/blastocyst collapse.

Vitrification: fast protocol.

Thawing: fast protocol.

AH after thawing.

Traceability of the frozen/defrost samples.

Standard protocols (vit/thaw/devices).

Sperm vitrification.

Saturday 20th April

PRACTICAL PART: Morning (10am to 14pm) or Afternoon (4pm to 8pm) Session.

Embryo biopsy prior to vitrification/blastocyst collapse.

Vitrification: fast protocol.

Thawing: fast protocol.

AH after thawing.

Traceability of the frozen/defrost samples.

Standard protocols (vit/thaw/devices).

Sperm vitrification.

Registration

Registration policy

Registrations should be made using the online registration form. Alternatively, you may send a completed registration form (pdf) to the Technical Secretariat with proof of payment by bank transfer or credit card authorization.

Inscription options:

- Only theoretical part
- Theory + Practical morning session 18 April – Valencia
- Theory + Practical afternoon session 18 April – Valencia
- Theory + Practical morning session 20 April – Rome
- Theory + Practical afternoon session 20 April – Rome

Registration fees

Registration fee	Prices
Theoretical part online for SEF/SIERR members	Free
Theoretical part online for non members	75€
Theoretical and practical part onsite for SEF/SIERR members	300€
Theoretical and practical part onsite for non-members	400€

21% VAT included

General conditions

The registration for the practical part includes access to only one of the practical sessions.

Transportation and accommodation are not included in the registration price

If you require an invoice, please indicate it expressly in the billing field detailing the company/person who invoices, NIF/CIF and postal address.

IMPORTANT: No registration will be made without prior payment.

In order to send you the certificates with the credits granted to the scientific activities, it is essential that you indicate your complete data.

Identified access

Once you complete the registration process, you will receive a confirmation email with your username and password. By entering this data in the "Personal area" section you will access your private area where you can consult and manage your activity at the event.

Cancellation Policy

Cancellations must be made in writing and communicated by email:

cancellations@sefsierrcourse.com

Cancellations received before March 19, 2024: 50% of the registration fee will be reimbursed

Cancellations received after March 20, 2024: registration fee will not be reimbursed resulting in 100% loss of the registration fee.

Method of Payment

By bank transfer to Fase 20, S.L.

It is essential that you send a copy of the transfer receipt indicating the name of the event.

Bank: BBVA

Account holder: Fase 20 S.L.

IBAN: ES45 0182 3387 5502 0860 0719

BIC/SWIFT: BBVAESMMXXX

By credit card:

Select this payment option in the registration process. The system will redirect you to the payment gateway of the corresponding banking entity.

Note: The delegate is responsible for any bank/foreign exchange charges arising from these transactions.
